SHAREHOLDERS ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR TOGETHER WITH THE APPENDIX CONTAINED HEREIN BEFORE VOTING ON THE RESOLUTION CONCERNING THE PROPOSAL TO BE TABLED AT FORTHCOMING AGM

1. DETAILS OF PROPOSED SHAREHOLDERS' MANDATE

- iv) in a meeting to obtain the shareholders' mandate, the interested Directors, interested Major Shareholders and interested persons connected; and where it involves the interest of an interested person connected with a Director or Major Shareholder, such Director or Major Shareholder, must not vote on the resolution to approve the transactions. An interested Director or interested Major Shareholder must also ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- v) Immediate announcement to the Exchange when the actual value of a RRPT entered into by CHB, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by the Exchange in its announcement.

Where a shareholder mandate pursuant to Paragraph 10.09(2) of the MMLR has been procured, the provisions of Paragraph 10.08 of the MMLR shall not apply.

The Proposed Shareholders' Mandate, if approved at CHB's 17th AGM, shall take effect from the passing of the ordinary resolution on the Proposed Shareholders' Mandate at CHB's 17th AGM scheduled on 24 May 2021 and shall continue to be in force until:-

The following procedures are to ensure that all Recurrent Transactions are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies:-

- (i) The relevant departments are made aware that all Recurrent Transactions are required to be undertaken on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of minority shareholders of CHB.

At least two (2) contemporaneous transactions with unrelated third parties for similar products/services and/or quantities are used as comparison.

In the event that quotation or comparative pricing from unrelated parties cannot be obtained, for instance, if there are no unrelated third party vendors/customers of similar products or services or if the product/service is a proprietary item, the transaction price will be determined by price negotiation with the related parties based on those offered by other unrelated parties for substantially similar type of transactions where available to ensure that the RRPT is not detrimental to the Group.

Approving authority and thresholds for RRPTs respecting the sales of the Company's products and purchases of raw materials, general materials and other sales and purchases will be based on the Group's pre-set policy which spells out the type and amount of sales and purchases that require the approval of the Vice President of Commercial Division.

The Recurrent Transactions are meant to meet the business needs of the CHB Group at the best possible terms. The Related Parties who are involved in the RRPTs have longstanding business relationships with the CHB Group and where applicable, have proven track records.

The Recurrent Transactions entered into by the CHB Group as stated in Section 4 above will benefit the Group in that goods and services transacted with the Related Parties are competitively priced and are on terms which are beneficial to the Group.

Recurrent Transactions entered into by the CHB Group with the Related Parties are all in the ordinary course of business and of a revenue or trading nature which are likely to occur with some degree of frequency.

These transactions may be constrained by confidentiality and are time-sensitive in nature and delays in obtaining the requisite shareholders' approval may disadvantage the Group.

By obtaining approval to the Proposed Shareholders' Mandate on an annual basis, the necessity to convene separate general meetings from time-to-time to seek shareholders' approval as and when such Recurrent Transactions occur is eliminated. Besides improving efficiency, precious resources such as administrative time and costs would be freed up towards attaining other corporate and business objectives of the CHB Group.

9. FINANCIAL EFFECTS

The Proposed Shareholders' Mandate while not having any effect on the total number of issued shares and shareholdings of major shareholders of CHB, is expected to continue to contribute positively to the earnings and net assets of the CHB Group.

10. SHAREHOLDINGS OF DIRECTORS AND MAJOR SHAREHOLDERS

Save as disclosed in Section 4 above, none of the other Directors or Major Shareholders of the CHB Group or persons connected to them has any interest, direct or indirect, in the Proposed Shareholders' Mandate. Clause 76(2) of the Company's Constitution stated there shall be no share qualification for Directors, unless otherwise fixed by the Company in general meeting.

As at LPD, none of the Interested Directors listed in Section 4 above has any direct or indirect shareholdings in the issued and paid-up share capital of the CHB Group while the direct and indirect shareholdings of the Interested Major Shareholders in the total number of issued shares of the CHB Group are as follows:-
