

## METALTECH 2024: A collaboration with PP Steel

CSC Steel is delighted to have sponsored Pan Pacific Steel (PP Steel) to participate in METALTECH 2024. This prestigious event, held from May 15<sup>th</sup> to 18<sup>th</sup> at the Malaysia International Trade and Exhibition Centre (MITEC) in Kuala

Lumpur, stands as a premier platform for the metalworking and machine tool industries.

As a leading name in the steel industry, CSC Steel has always been synonymous with quality and innovation. Our sponsorship of PP Steel underscores our commitment to fostering growth and excellence within the sector.

METALTECH is renowned for bringing together industry leaders, innovators, and professionals from around the globe. The event featured over 1,500 exhibitors and attracted more than 20,000 visitors. Attendees experienced the latest in metalworking technology, machinery, robotics, and automation.

For PP Steel, this represented an unparalleled opportunity to display its professionalism and cutting-edge technology in various services, as well as engage with potential clients and explore new business ventures. The event also provided ample networking opportunities, allowing attendees to connect with industry peers, potential partners, and customers to build lasting professional relationships.

As we reflect on the achievements of METALTECH 2024, we are inspired by the innovations, connections, and opportunities that emerged. CSC Steel remains dedicated to supporting industry players in achieving better. We look forward to continuing our partnership with PP Steel and other industry players, as we collectively strive to push the boundaries of what is possible.
