

CSC Malaysia Wins Top Awards at CMIEA 2025

CSC Malaysia (“The Company”) has **won the top award** in the Multinational Company category at the **Chief Minister Industrial Excellence Award (CMIEA) 2025**, the **Chief Minister’s Award**. The Company was also awarded **First Place** in the **Open Category**. This dual recognition **marks a significant milestone** in The Company’s **pursuit of excellence and continuous improvement**.

▲ Mr. Cho, Chun Yi, Group Managing Director of the Company (fifth from left), received the Chief Minister’s Award in the Multinational Company category at CMIEA 2025, presented by the Chief Minister of Melaka (sixth from left).

Presented by the then-Chief Minister, **Datuk Seri Utama Ab Rauf Yusoh**, the awards affirm The Company’s longstanding **commitment to quality, innovation, and organizational excellence**. The recognition **reflects the collective efforts of its employees and encourages The Company** to further **strengthen its systems, enhance competitive capabilities, and continue to optimize operational management**.

Looking ahead, The Company remains committed to upholding high performance and fostering a culture of continuous improvement. Guided by internationally recognized frameworks such as the Business Excellence Framework (BEF), it will **continue advancing innovation, reinforcing governance, driving low-carbon and digital transformation, and integrating sustainable practices across operations** to support long-term resilience and value creation.
