

CSC Malaysia's participation in Festival Seni Bina Johor 2025

CSC Steel Sdn Bhd (CSC Malaysia) is honored to participate as a Platinum Sponsor in Festival Seni Bina Johor 2025 organized by Pertubuhan Arkitek Malaysia Southern Chapter (PAMSO),

taking place from 28–30 November 2025 at Desaru Coast Riverside.

This event brings together four Platinum Sponsors from different areas of expertise to present a complete roofing system solution. For instance, CSC Malaysia for steel raw materials, Overseametal Sdn Bhd for roofing profiles, Mwool Sdn Bhd for wool, and San Miguel Yamamura Woven Products Sdn Bhd for foil for insulation.

The Platinum Sponsor was given the opportunity to promote their product and engage with industry professionals throughout the event. The booth will showcase CSC Malaysia's steel coil and how they integrate seamlessly into complete roofing systems.

This event is specially designed for architects, consultants,, industry experts and students. Beyond technical knowledge sharing, the event emphasizes practical learning through hands-on workshops. Participants will have the opportunity to learn about the components of a complete roofing system and experience actual roof installation processes.

This interactive approach allows participants to gain not only theoretical knowledge, but also real installation experience, enhancing their understanding of roofing

performance, application, and best practices.

In addition, souvenirs will be provided to participants as a token of appreciation, further enriching the overall event experience.
